The Game Of 3-2-1- FIND IT

3-2-1-FIND IT

Use a favorite toy or even just a stick that you come across in the woods. After a few moments of playing with object, hold the dog as you throw the object into grass, brush, woods thick enough to lightly disguise the object. The dog may see and "mark" the fall of the object, but as the difficulty of the game increases, this will only help him define the area he needs to search. Once the object has landed and stopped moving, count to 3 before releasing the dog to "FIND IT." You may gradually increase the time before releasing the dog, and of course, the heaviness of the cover (one good reason to avoid mowing your lawn regularly!)
