

The Game Of THINGS THAT GET LOST IN THE NIGHT

THINGS THAT GET LOST IN THE NIGHT

Using the same rules as 3-2-1-Find It, this game relies on the natural cover of darkness to encourage the dog to use his nose. Instead of marking the fall with his eyes, your dog may listen carefully. Once again, don't worry that he's "cheating." This only helps the dog narrow the area he will have to search. This can be played inside (throwing the object into a dark closet, corner or room) or outside. When beginning this game, don't get too enthusiastic and throw the toy very far. The point of all these games is success, not frustration for the dog. Also, be sure you know where the heck it landed in case the dog needs some help.
